IN A NEW LIGHT

SAVE UP TO 70% IN ENERGY COSTS WITH LEDS

WHAT WE DO

Global Tech LED is a leading manufacturer of universal LED lighting solutions for HID replacement. Their premium Solstice® LED modules are made with custom light distribution, seven color temperature packages, a 10 year, 100,000 hour limited warranty, and are made in the USA. With these features no other LED lighting solutions compare to Global Tech LED.

BEFORE LEDS

- 400W Metal Halide fixtures
 - Low kelvin temp
 - Low CRI
 - Poor Product Presentation

Primary Goal:
• Save on energy cost

Secondary Goal:
• Better product presentation through higher quality of light

AFTER LEDS

- Installed: 230W acrylic LED highbays
- Cut down to 95W/fixture at night for restocking and cleaning
- Footcandle increase: 30%
- Energy Savings: 50% = \$35,817/year
- Rebates for using Global Tech LED: \$21,000
